

*BLUFF PARK DENTAL*

---

**HEALTHY SMILES PLAN**

**Terms and Conditions**

The Healthy Smiles Plan is not insurance. It only provides discounts on a variety of your dental needs. It's a special program offered by Bluff Park Dental that helps individuals and their families save on dental care. Not all dental services are covered. The Plan covers regular cleanings ("prophies"). If more than a regular cleaning is needed, such as periodontal treatment ("deep cleanings", or "scaling and root planing"), the patient is responsible for the fee minus the 20% discount for participating in the Healthy Smiles Plan.

This is a one-year contract. After one year your Healthy Smiles Plan benefits must be renewed or your respective plan membership will be automatically terminated.

The office fee schedule is subject to change. The 20% discount includes all treatment cost, but does not include special prices on bleaching, snore appliances, MI Paste, ClearCorrect, or any other special offer price. If you are referred to a specialist, you are subject to their fee schedule.

Payment for the Healthy Smiles Plan is due in full upon joining. If dental treatment is needed, payment is either in full at the time of service or paid through Care Credit upon approval. Note:

No third party financing is accepted for the initial payment--this is due in full upon joining.

Third party financing is only available for treatment costs.

I have read the above terms and conditions and I understand them to the full extent. I have been given the opportunity to ask questions. By signing below, I am agreeing to joining the one-year Healthy Smiles Plan.
